# Card-type Blood Pressure Meter
HT32F52367

Characteristics

- PPG + ECG dual-mode sensing for improved measurement stability and accuracy
- PTT technology combined with AI algorithms to calculate blood pressure values
- Transfer learning and intelligent calibration for improved accuracy
- Miniature non-invasive design for easy portability
- Multi-functional integration: One-stop monitoring of blood pressure, heart rate and blood oxygen saturation

Applications

Card-type blood pressure meters, etc.
